Why You Should Do Busi

In

APPOMATTOX

Listed below are some of the reasons why we invite you to do business in Appomattox.

FIRST, we think local firms mert your trade on a pure competitive basis. Local stores carry the same national brand names of merchandise as large city stores, or mail order houses. Local prices are in line. Many nationally known brands are fair trade items, and sell at the same price everywhere. When you buy locally, you can see the product before you decide . . . you save postage, money order and other costs . . . plus the very considerable item of lost of time, travel to the city and wear and tear on car and patience. So . . . from the sheer angle of competition, you can do better right at home.

SECOND, have you ever stopped to consider what local business contributes to the operative cost of your cmmunity . . . local taxes which build civic improvements and maintain cost of local government. In addition to the usual property taxes your home businessman pays a number of local licenses and taxes and his contributions help keep public services going.

THIRD, the people employed by home town business places are important in the economic life of the community. Their pay checks are a big factor around town. Local industry thrives on local support. Local labor and local business are a team to generate local prosperity. You help provide local jobs for your neighbors when you support local business.

FOURTH, when you spend your money away from home, you help some other town grow. That is all very well, for we have nothing but kindest feeling to every town and city in all America and we are happy to see any one of them prosper. But there is a responsibility of local government and local institutions such as schools, churches, etc., that many of us feel should be borne locally. The only way that can be done in the American tradition, is for local people to solve their own problems and work together for their community good.

FIFTH, the local business man is your neighbor knows your needs. You can talk things over your local banker, your local building dealer, your local hardware man, your local automobile your local timber dealer, your local telephone your local furniture dealer, your local farm dealer, etc., . . knowing that they have made of your needs and can give you sound counsel you ever tried writing a distant firm to sen down to advise you about cutting some your property . . . to endorse your note or how to get the crabgrass out of your lawn businessmen cheerfully render services in t and want you to look upon their clerks, and owners as friends.

SIXTH, Appomattox is a growing town be many have found it profitable to trade her provide local jobs and maintain community invite you to join the trend! Do Business in A tox.

e of the Grantee. All
nder this ordinance shall
such a manner as not needlessly to interfere with or impede free and proper use of the streets and alleys by the public, nor obstruct the travel thereof.

SECTION 5. The work to be done under this ordinance shall be done in such a manner as not to damage any other underground construction of any other public service corporation holding a franchise from the Town or any construction performed by the Town itself, or by the State Highway Department, or unnecessarily to interfere with the making of connection by the Town or by the citizens thereof with water or sewerage pipes which may now or hereafter be laid or constructed by the Town or by any other public service corporation holding a franchise from the Town.

SECTION 6. After constructing, laying, relaying, renewing, repairing or replacing any of the mains, pipes, conduits or other appurtenances under this ordinance, the grantee shall, at its own cost, promptly replace, relay, repair and restore, in as near as possible to the original condition of the same, all streets, sidewalks, alleys, highways, squares or public grounds disturbed or damaged in the construction, repairing or replacement of the work authorized under this franchise and the grantee shall, at its own expense, promptly relay, replace and restore any subsequent or latent defects existing as a result of any work authorized to be done under this franchise, and upon failing to do so after seven (7) days notice in writing shall have been given by the Town Manager, or Mayor, the Town may replace, relay or restore the portions of the streets, sidewalks, or alleys that may have been so damaged or disturbed and collect the costs and expenses incurred from the Grantee.

SECTION 7. By the acceptance of this franchise the grantee hereby agrees to indemnify and save harmless the Town of Appomattox from all loss, costs, damages and expenses to which the Town may be subjected from any damage to person or property for which the Town may be held liable on account of any act or omission by the grantee, its successors or assigns, or the employees of any of them in and about the installing, repairing and maintenance of the gas works, mains and gas lines and all guards, trenches or excavations while the said gas works, mains and gas lines are being installed or at any subsequent time extended, or while repairs or alterations are being made thereto at any time in the future or on account of or by reason of any work done under this franchise or in consequence of the operation of the Grantee, and in the event that suit shall be brought against the Town of Appomattox whether independently or jointly with the grantee, on account thereof, the grantee, upon notice to it by the Town, will defend the Town in any such suit at the cost of the grantee and in the event of a final judgment being obtained against the Town of Appomattox, either independently or jointly with the grantee, the grantee will pay such judgment with all costs, and hold the Town harmless therefrom; but nothing herein contained shall be construed to render the grantee liable for the negligence of the Town of Appomattox, its agents or employees or of any other person or corporation. The grantee, its successors and assigns shall at all times carry liability insurance with an underwriter and in an amount approved by the Town Manager or Mayor.

SECTION 8. The rights and privileges herein set forth are granted and conferred upon the grantee upon the express condition and understanding on the part of the grantee, that it will render to the public in the Town of Appomattox during the term of this ordinance, an efficient gas service as reasonable rates and that it will maintain its properties, mains and pine lines located within the Town of Appomattox in good order throughout the term of this grant, except when temporarily prevented by causes beyond its control, and the grantee by its acceptance of this ordinance expressly agrees that the State Corporation Commission shall have jurisdiction to the full extent, and in the manner now or hereafter during the life of this ordinance, provided by law for the regulation of a public utility.

SECTION 9. The Grantee, its successors and assigns, shall lay its service pipes from its mains to the curb line and/or the consumer's outer property line at its own expense, and shall furnish and install necessary curb boxes and meters without expense to the consumer; from the curb line and/or the consumer's outer property line and the consumer shall have the right to select a licensed master plumber to lay and install his fixtures, at the consumer's risk and expense, subject to the Grantee's right of Inspection.

SECTION 10. The Grantee shall, subject to the orders of the regulatory bodies having jurisdiction, make service connections for supplying gas for heat, power, fuel and other practical uses and purposes at any point within the corporate limits of the Town upon the proper application therefor in accordance with the standard terms and conditions of the company in effect at the time such application is made.

SECTION 11. The franchise, rights and privileges granted by this ordinance shall extend for a period of thirty (30) years from and after final passage of this ordinance unless the same be sooner voluntarily surrendered by the grantee with the consent of the Council of the Town of Appomattox or unless the same be sooner forfeited as provided by law or unless the Grantee has not commenced service within 2 years from the date of acceptance of this franchise by the Grantee.

SECTION 12. It is expressly understood that nothing to be granted in the franchise under this ordinance shall be construed as granting or attempting to grant to the grantee, its successors or assigns, the exclusive right to use the public streets and highways of the Town of Appomattox.

SECTION 13. That upon the approval of this ordinance by the Mayor of the Town of Appomattox, it shall be the duty of the Mayor to cause to be advertised once a week for four successive weeks, in some newspaper of general circulation in the Town of Appomattox, Virginia, the draft of the ordinance contained in the foregoing sections, and in addition he shall, by such advertisement, invite bids for the privilege and rights proposed to be granted by the said ordinance, which bids shall be in writing and shall be delivered to the presiding officer of the Council of the Town of Appomattox, in open session at the day and hour of the next regular meeting of the said body to be held next after such advertisement is completed, which bids shall then be presented to the Council by the said presiding officer to be dealt with and acted upon in the manner prescribed by law for franchise grants. Said advertisement shall expressly reserve the right to reject any and all bids.

This Ordinance shall be in force from its passage.

I, C. J. Hunter, Clerk of the Council of the Town of Appomattox and as such the keeper of its official records, do hereby certify that the foregoing document is a true and correct copy of an Ordinance adopted by the Council of the Town of Appomattox, Virginia, at its regular meeting on the 19 day of March, 1957.

Given under my hand this 20th day of March, 1957.

C. J. Hunter, Clerk of the Council of the Town of Appomattox, Virginia.

Approved this 20 day of March, 1957.

Richard D. Robinson,
Mayor of the Town of Appomattox, Virginia.

The Navy Department is considering hanging a telescope under a high-flying manned balloon in order to take a closer look at the atmospheres of the earth's neighboring planets. At an altitude of 100,000 feet, the telescope would be above 99 per cent of the earth's atmosphere. The instrument suggested for the trip is an eighteen-inch, wide-angled Schmidt telescope to which a spectrograph is attached.

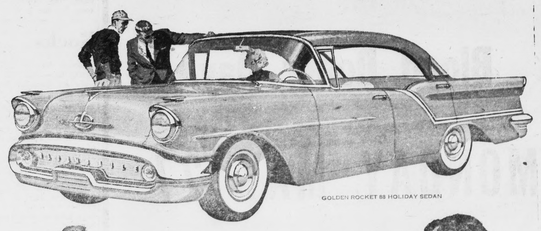
OLDSMOBILE
DESIGNED FOR SOUTHERN LIVING



"I like those extras you get in an Olds!"
HE: You mean the advanced styling, I suppose. The Accent Stripe and . . .
SHE: Oh, there's more to it than that. For example, the "park" position on the Hydra-Matic Drive* makes it safer and easier to start, even on hills.
HE: Well, Olds has a reputation for attention to details. That's one reason the value lasts.
SHE: You can tell that someone took a lot of patience in planning and building it right. Even the two ash trays are lighted.
HE: I'll let the Oldsmobile engineers would love that, but I wonder how they'd feel about you not mentioning the Rocket Engine? Now there's a power plant. There's still nothing quite like a Rocket!
SHE: That's for me too, but I look for lots of other things — like upholstery . . . and that glove box. It's big enough for an umbrella. I wish . . .
HE: Tell you what. Let's stop wishing. Let's go see our Olds dealer . . . *right now!*
